JT Windows, Inc.

*First in Quality Crafted
Windows and Doors*

*We have dedicated this
JT Windows Inc. catalog to those
who are most responsible for our
success since 1978...our customers.*

*We take great pride in our products and
continue to work toward a common goal
of providing the most exciting line of
premium solid wood windows and
French doors in the industry.*

*As with every item that leaves our factory,
this latest chapter of the JT Windows story reflects our passionate
dedication to innovation, quality and attention to detail.*

Bay Windows

*JT 45° Bay Window
(JT 30° Bay Window also available)*

Douglas Fir

Northern Red Oak

*Optional hidden Roll Screen™.
Rolls down when you don't!
Rolls up when you need it!
Available with JT Casement,
Double Hung and
Sliding windows*.*

**Certain widths and wall
conditions required.*

Casement Windows

*JT Rabbeted Pair/French Casement —
no center post allowing for clear,
unobstructed viewing, while meeting
egress code†.*

†Minimum egress code size on this unit is 3° x 3°

*JT Single Casement — standard
with Truth hardware‡ for
adjustable air flow and
weather-tight seal.*

*‡All JT Casement windows: Single arm
operators standard for casement windows
under 20". Dual arm operators standard
for casement windows 20" or larger.*

*JT Double Casement — like all our
casements, comes double weather-
stripped for a sure weather-tight seal.
Complete with screens and top quality
Truth operators and locks.*

*JT Triple Casement — is available
in 3 evenly divided panels or 1/4 -
1/2 - 1/4. (Shown: 1/4 - 1/2 - 1/4 version
with optional single lite center
panel and TDL flankers.)*

Custom Shapes

Octagon

Trapezoid

Awning Window

JT Windows uses only highest grade kiln dried FAS Northern Red Oak or Douglas Fir. Both woods finish beautifully to match any interior design, and fit easily into all custom and standard openings.

Garden Windows

JT Wood Garden Window — first pioneered by JT in 1978, setting the industry standard. Our single post corner engineering gives this window fine, delicate lines (not the massive box look) — making this window the focal point of any kitchen or room.

Garden Windows come standard with operable casement flankers for maximum ventilation.

Sliding Windows

Double Hung Windows

JT Double Hung — manufactured with state-of-the-art vinyl jamb liners, allowing both sashes to tilt-in for easy window cleaning inside & out.

JT Slider

JT Triple Slider

JT Sliding Windows — glide open easily with ball-bearing wheels on metal track, and lock tightly closed with Truth hardware for a high quality weather-tight seal.

JT Windows, Inc.

**First in Quality Crafted
Windows and Doors**
